OTHER INFORMATION

Gardening

The recycled water affords us the possibility to have our own vegetable gardens. In their free time some members of our staff enjoy gardening and so supply the lodge with fresh herbs and seasonal vegetable.

Wheelchair Units

2 units tailored to the needs of the handicapped and wheelchairs.

Staff

Most of our staff members were unemployed and were recruited at a village nearby. Some have not previously worked while some was totally illiterate, middle aged with very little chance to make an acceptable living.

All new recruits were transported to our sister lodge, Sossusvlei Lodge, almost 800km away, to

be trained in their various positions. Together with some key staff of Sossusvlei Lodge and Desert Camp they returned to Etosha Village to take up their new employment and move into the newly renovated farm house with new beds and uniforms for them.

Most guests comment on the friendliest staff experienced during their entire holiday!
